IT'S THE SAME EVERYWHERE.

In an article from the Bay City Tribune, printed in the Post-Register last week, the editor, Cary Smith, says it frequently happens that a member of the Tribune force receives a bill printed by an out of town establishment for goods bought from a Bay City merchant. That experience is common to printers and to all other small town business people. A business man entertains at dinner. Among the guests all businesses of the town are represented. The company sits in chairs bought in a neighboring city, listen to a radio program over an instrument from a city store, listen to music on a piano bought out of town and so on down the list of things used. The merchant host has some things from his own store and that is about all bought at home. THAT IS WHY SMALL TOWNS DON'T GROW. The merchant who considers only the small profit lost is short sighted. Let us suppose a case: A grocer of Bay City gives to a traveling salesman a \$40 job. If it were given to the Bay City Tribune, the profit would be less than ten dollars. The job is probably sent away without even giving the local printer an opportunity to submit prices. But the local printer's profit is the smallest consideration. Enough such jobs kept at home would require an additional printer on the Tribune force. That printer would rent a house and if he stayed in town long enough would buy furniture, clothing and all other household necessities, but the main consideration to the small town is the vacant house is occupied or saved the embarrassment of becoming vacant and a family is added to the population of the town. The profit on the additional printer's work would be very little to the Tribune but, believe us, that addition to the population is the thing Chambers of Commerce and others interested in the survival of country towns must look to. Business kept at home means more home people to do that business and your boy and girl may be one of that number. The merchant who indulges petty spite or jealousy in not trading at home cuts off his nose to spite his own face.—Lockhart Post-Register.

NEW BARBER PRICES.

To Our Patrons:—
The new barber law which goes into effect on October 1, imposes a number of requirements on the barber business, among them being a Doctor's health certificate for the barber and sterilizing equipment for his utensils.

In order to meet these requirements, it is necessary to revise our prices so as to insure an income to take care of the added expense. Accordingly on and after Monday, October 1, the following will be—

A SERIOUS ACCIDENT.

While returning home to D'Hanis from a hunting trip late Sunday afternoon, a truck in which Amos Finger and Wilfred Fohn were driving turned over and both boys were painfully injured.

Mr. Finger was painfully cut and bruised but his injuries were less serious than those of Fohn, who was rendered unconscious. He was brought to Hondo for attention and later transferred to San Antonio where at last report he was still in a serious condition but thought to be improving.

FORTY-TWO CLUB.

Mrs. T. C. Barnes was hostess to the forty-two club Wednesday afternoon. Four tables of players and a few guests constituted the party.

After several interesting games of forty-two were played a delectable salad course was served to Mesdames O. A. Fly, Isaac Wilson, G. Gilliam, R. Matocha, Chas. Monkhouse, Marvin Beal, V. King, B. Carle, O. A. Fly, Hy. Merriman, R. Speece, R. Reilly, H. Bradley, Gene Mofield, Earl Starnes, R. Chancey, Misses Fannye Carle, Willie D. Fly and the hostess.

PLANNING FOR MOTORCADE.

Correspondence in the hands of Director General Dillon of the Motorcade for October 21 to 26, brings the information that Del Rio, Uvalde and Sabinal are busy arranging to make the occasion a memorable one.

President Hal A. Hamilton of Del Rio writes:

"From all newspaper accounts the O. S. T. (the upper San Antonio-El Paso route) Cavalcade, which will precede ours by about three weeks, is going to be a great event, and we don't want to fall behind in the procession."

Chairman Ray writes from Uvalde that Mr. Smiley of Sabinal will be Captain of the Uvalde representatives and a number of cars have signed up to go on the trip from that county. A Uvalde County No. 90 Association was organized at Uvalde on September 18, and Mr. Ray suggests that a similar organization be effected in every county along the Highway.

Mr. Dillon expects to have his plans all completed within the next ten days.

SOPHIAN CLUB.

The regular meeting of the Sophian Club was held at the school auditorium Wednesday afternoon with Mrs. Edward Cameron presiding.

Miss Sights, teacher of expression, gave several entertaining readings showing no mean ability in her chosen work.

A short business discussion was then held during which the club decided that the time limit for holding a book from the library was to be one week, with a renewal privilege. Three new names, that of Misses Healy, Howard and Steel, were placed on the membership list.

At the close of the business meeting, Mrs. Roland Gaines reviewed the opera "Tannhauser" by Wagner. Mrs. O. B. Taylor gave a resume of local color in literature from its beginning up to the present time. After a general discussion of this subject the club adjourned.

ANTI-BLUES CLUB.

Mrs. Melliff Lippold and Miss Ina King entertained the A. B. C. and a few guests on the evening of September the twentieth at the home of Mr. and Mrs. V. P. King.

After several games of bridge, Mrs. Earl Lacy won high club prize and Miss Erma Jackson guest's prize.

Mrs. Etta Langford received low. Those present were Mesdames Alfred Rath, Earl Lacy, Elmer Leinweber, Gene Mofield, Wood Cameron, Alfred Hutzler, Misses Clara Filleman, Thelma Lynch, Laura Nester, Helen Lacy, Mary Crouch, Velma King, Erma Jackson, Janice Holloway and the hostesses.

TEXAS & TEXANS

TEXAS AND TEXANS.

By Will H. Mayes
State Bond Issue

The American Automobile Association announces from Washington that Texas will vote on a \$225,000,000 road bond issue this year. If the association is not more reliable in other matters than in that announcement it should retire from business. Texas is not rushing headlong into any bond issues either this year or next year, and before the huge road bond issue is submitted by the legislature and favorably voted on there will have to be a wonderful change in public sentiment throughout the State.

Opposition Outspoken

Those who are pushing the State bond issue for roads should get out among the people who do most of the voting. They are not having much to say in the press, but most Texans would as soon vote for dividing the State as for issuing bonds that will pledge its credit for years to come.

Fred B. Robinson of Waco, who is being solicited to run for governor, says this will be an issue in the race, and that if he runs he will oppose the bonds in the interest of the people. Should the matter be pushed, candidates for the legislature in every county in Texas will find it an issue in their campaigns.

Automobile Business Increases

Figures compiled by the State Highway Department show that sales of new automobiles during the first seven months of the year increased 45 per cent over a corresponding period of last year. An interesting feature of the figures is that the increase was larger in rural districts than in the cities. Automobiles can't be bought without money, and the large increase in sales indicates that the people of Texas are prospering.

Texas First in Oil

Texas has taken first rank in oil production of the country, with a total of 257,320,000 barrels for 1928. The total production for the entire country was 901,474,000 barrels, the Texas output being slightly more than 28 per cent.

Nearly one half of the entire Texas production was in the famous West Texas pools. It is said that the oil resources of the State have hardly been touched.

The Lower Rio Grande Valley is expecting more prospectors in the next few months than have ever before come into that section. It is stated that the average will probably be between 1,500 and 2,000 weekly, this being based on the activities of the leading agencies in sending their agents throughout the State from which the prospectors are expected.

Cities Are Expanding

In their efforts to make showing in the next census as to population, the larger cities of Texas, especially Dallas, San Antonio and Houston, are taking in as much surrounding territory as possible. San Antonio is adding territory by the square mile, and Dallas has annexed 84 outlying districts in the last four months. Houston has already annexed about all the earth and surrounding water in its territory. Evidently these cities think that everybody is wanting to locate in the place that can show the greatest number of people and make the most noise.

Building For Teachers' Officers

The teachers of Texas may not have very good salaries or homes for themselves, but the board of directors of their state association has decided to erect for its officers "a cream colored, two story building of classic Italian Renaissance design," a structure that will be the pride of every teacher who visits the headquarters in Fort Worth.

Hiking Barbers' Prices

Visitors to Dallas are advised to get hair trims and shaves before leaving home, and also to pack

ANTI-BLUES CLUB.

Mrs. Volney Boon and Miss Mary Crouch entertained the Anti-Blues Club on Wednesday the twenty-fifth at the home of Mr. and Mrs. John Finger.

After several games of bridge, Mrs. Melliff Lippold won high club prize and Mrs. Oscar Miller the guest's prize. Miss Laura Nester and Mrs. Ed. Ney held low.

Those present were Mesdames John Finger, Melliff Lippold, Oscar Miller, Ed. Ney, Felix Batot, Earl Lacy, Earl O'Neal, Alfred Rath, Harry Crouch, Earl Boon, Misses Laura Nester, Ina King, Frances Finger, Velma King, Janice Holloway and the hostesses.

A nice assortment of beads, Easy to make selection. The Fashion Shop.

safety razors in their grips. Nearly 100 barber shops in that city have raised prices to 55 cents for shaves and 65 cents for hair trims. It is explained that the raise is not the work of an association, but that the barbers had discovered for themselves that they were not making enough money.

Uvalde City Hall

Uvalde is to have a modern city hall, in which there will be room for a public library and for club rooms for local organizations. That city has paid \$2000,444 for its waterworks plant and improvements thereon. All this without raising the tax rate, which is \$1.30. Evidently Uvalde has some financiers in its council who are as public spirited as they are economical in the administration of city affairs.

Menard Airport

Menard is planning to build a combination airport, country club and golf course, through a corporation organized with \$50,000 capital stock. Menard is showing its progressive spirit in this movement. While airplane transportation may as yet be a bit hazardous, it will be so common in the near future that ever town that wants visitors will have to have an airport. The country club-golf course combination should enable the corporation to be self sustaining.

Laredo Onion Figures

Laredo onion growers have secured Bermuda onion seed to plant about 4,500 to 5,000 acres in onions this fall. The Laredo onion district includes Webb, LaSalle, Frio and Dimmitt counties. With a favorable growing season, about 1,750 to 2,000 marketed next spring. It is hard for people anywhere else than in the Laredo section to think of that many onions, but it is easy for that district to grow them.

Wants City Plan

Mount Pleasant isn't a large city as cities are now counted, but Mount Pleasant wants to grow in the right way, so the chamber of commerce has requested the city council to employ a city planner to prepare a comprehensive city plan, in view of the fact that about \$75,000 is to be spent soon in city improvements.

Melons at Weatherford

In addition to the largest truck shipments ever made, Weatherford has shipped more than 500 cars of watermelons during the season now closing. Prices ranged all the way from \$150 to \$400 a car, and the melon growers have made money. Not all of them did as well, but some realized from \$200 to \$300 an acre.

Jasper Diversification

Jasper county is getting away from the one-crop system of farming. A successful campaign has been made to secure the planting of a large acreage in grain as an initial step of making the town of Jasper a dairying center. It is now proposed to put in a large tomato crop next spring on land that has been in grain and grazed during the winter. Jasper county tomatoes mature about two weeks ahead of the Jacksonville crop and should find a ready market.

Some Cucumber Crop

The Powderly community in Lamar county has grown about 125 acres of cucumbers this season, from which 10,000 bushels were sold. One grower cleared \$380 from two acres. The success with this year's crop will likely result in a larger acreage next season. The cucumbers are sold on contract before the seed are bought.

Brownwood Water Supply

During the long drought, recently ended, Brownwood had to take unusual precaution to conserve its water supply, but the big water project, now well under way, will insure the city enough water even though it may grow to five times its present size, and some will be left with which to irrigate the rich valley lands with which Brownwood is surrounded.

SUNDAY SCHOOL CLASS MEETING.

The Sunday School Class of Intermediate girls of the Baptist Church met in the home of Mrs. H. H. Crow on Tuesday, September 24. Election was held and the offices filled as follows:

President, Gladys Fusselman; 1st vice president, Leota Pettis; 2nd vice president, Margaret Dillon; 3rd vice president, Ruth Lee Shelton; secretary-treasurer, Mayme Earnest; reporter, Ruby Neuman.

Mrs. Crow, teacher of the class, served refreshments to the members and their honor guest, Mrs. Albert Nelson.

BECK—HABY.

One of the prettiest weddings of the early fall took place Tuesday morning in St. Louis Church when Miss Selma Haby, youngest daughter of Mr. Alex L. Haby, became the happy bride of Mr. Ralph Beck, son of Mr. and Mrs. Albert Beck.

To the wedding march, played by Alfred Smith, the party entered as follows: Miss Lottie Beck maid of honor and the groom, Ralph Beck, followed by the bride on the arm of her brother, Floyd Haby, who acted as best man.

During the Nuptial High Mass which followed the bridal party and attendants received Holy Communion. The bride was becomingly attired in a dress of shell pink georgette with hat and shoes to match. She carried an arm bouquet of pink carnations and fern. Miss Lottie Beck, her only attendant, wore a mile green georgette dress with blonde shoes. She carried a bouquet of queens wreath and fern.

After the ceremony they repaired to the home of Mr. and Mrs. Alex L. Haby where an all day celebration took place. The young couple will make their home in RioMedina. We join their many friends in wishing them a long and happy wedded life.

FROM YANCEY.

A severe, chilling rain has been falling on Yancey on Sunday, and all during the night, and is still continuing this morning. It may be in time for fall gardens.

We are sorry to report that Mr. Tom Duderstadt has been quite sick during the last week; and hope he will soon be able to be up and about again.

Mr. Carlton Bray of Dallas has been here for several days, and contemplates going back about Thursday of this week.

LACOSTE LEDGERETS

From Lacoste Ledger. KEMPF—CONRAD.

The first wedding to be solemnized in St. Mary's Church this Fall, took place on Monday morning, September 16, 1929, at 9:00 o'clock, when Miss Florence Conrad of LaCoste became the happy bride of Mr. Ulrich Kempf of Castroville. Rev. James Marsonier officiating. The impressive ceremony was followed by a Nuptial High Mass.

The bridal party entered the church and marched up the aisle to the altar to the strains of a pretty wedding march played by Mrs. Julius Aht, organist of St. Mary's Church, in the following order: Miss Octavia Keller and brother, Frank Keller, Jr., Miss Martha Kempf and the groom followed by the bride leaning on the arm of her brother, Edwin Conrad.

The bridal party received communion in a body during the Mass making it a truly Catholic wedding.

Following the services at church the bridal party and invited guests repaired to the home of the groom's parents, Mr. and Mrs. Benj. Kempf near Castroville, where the happy event was celebrated. A grand dinner and supper was served to which all did ample justice.

The bride wore a dress of satin-back crepe trimmed with lace, a wreath of orange blossoms and veil and carried a bouquet of carnations, ferns and rosebuds. The bridesmaids wore blue taffeta with a corsage of wild roses and carried bouquets of queens wreaths. The groom and his best men wore conventional blue suits.

The bride is a niece of Miss Ida Conrad from here and has a large circle of friends here and at Castroville, while the groom is the youngest son of Mr. and Mrs. Benj. Kempf from Castroville.

The bridal party life in the afternoon for San Antonio, where a picture was taken of the young couple.

Mr. and Mrs. Kempf will make their home in a fine new residence which Mr. Kempf recently built near Castroville.

We join the many friends of the newly weds, in wishing them a long and happy union.

Mr. A. F. Bippert, Carpenter and Contractor from Natalia, attended a Grand Chicken Dinner at the Couser Hotel at Dilley, Texas, Monday, September 16, as a guest of the Lumber Dealers at Pearsall, Cotulla, Lytle, Natalia, Devine, Dilley, Los Angeles, Jourdanton, Poteet, Charlotte and Pleasanton.

The Cock-eyed World Next Week Greater Majestic Theatre

Victor McLaglen, Edmund Lowe
Lily Damita Score Big Hit

Lily Damita
in "The Cock-Eyed World"
Fox Movietone All Talking Picture

The most unusual motion picture of the year is "The Cock-Eyed World," which starts its engagement at the Greater Majestic Theatre in San Antonio, on Saturday of this week. The picture is an all talking, singing epic of the Marines with Victor McLaglen, Edmund Lowe and Lily Damita in the stellar roles. It is a sequel to "What Price Glory" with McLaglen and Lowe in the never forgettable roles of "Flag" and "Quirt." El Brendal and Bobby Burns are other notables in the cast. The film is a Fox Movietone production and was directed by Raoul Walsh. With "Flag" and "Quirt" and the Marines, landing and conquering, war and women, and with the dialogue you imagined in "What Price Glory," a reality in "The Cock-Eyed World," one can conceive the tremendous popular appeal of the picture.

The spectacle of Governor Moody vetoing the bill to legalize Sunday movies and failing to make any effort to close them up where they are open in defiance of law is a case in point of why we are at the same time the worst law-ridden people in the world and the most lawless. When the highest official of the state hasn't the nerve to enforce a law he has sworn to enforce nor the courage to repeal that law what is to be expected of the common herd?

He has achieved success who has lived long, laughed often, and loved much; who has gained the trust of pure women, the respect of intelligent men, and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it; who has always looked for the best in others, and always given the best he had.—Selected.

This country will replace you before your folks get home from the funeral.—Will Rogers.

Correcting an impression about our USED CARS

WE HAVE sometimes found the impression prevailing that we will not accept anything but a used Ford car in trade for a new Model A. That is not a fact. Many cars—in both high and low price classes—are being constantly traded in for the new Ford.

If you're in the market for a used car, come to our show-room. Thousands of miles of unused transportation are represented there in cars awaiting second owners. And each one is priced at just what it is worth. There is no "price padding" or inflation to permit us to recoup excessive trade-in allowances. The price of the Model A is so low that excessive allowances for used cars are impossible.

You can take advantage of this situation. Act now! Come and see these bargains in unused mileage—

TEXAS WOMAN WAS ON VERGE OF BREAKDOWN

"Recently I spent fifty-four dollars in a clinic getting X-rayed for what I was told was chronic gall bladder and intestinal trouble, but I am now convinced that I was all I needed. If I had known what a wonderful treatment it was I could have saved lots of money and suffering."

"About two years ago I began to decline in to a general weakness and run-down condition that steadily grew worse. My stomach was upset and I had awful pains in my back, in the region of my kidneys and gall bladder. My appetite was poor and it seemed I couldn't eat anything without pains afterwards. I lost strength and energy and was very much discouraged."

"Before I had finished the first bottle of Sargon I had a splendid appetite and could eat what I wanted without any discomfort. The pains in my back began to ease up and now they have gone entirely. Sargon Soft Mass Pills stimulated my liver and relieved my constipation. I just can't find words to express my gratitude for this marvelous treatment."

—Mrs. Ollie Hengy, 4805 Maple Ave., Dallas.

By religion I mean the power, whatever it be, which makes a man choose what is hard rather than what is easy, what is lofty and noble rather than what is mean and selfish; that puts courage into timorous hearts, and gladness into clouded spirits; that consoles men in grief, misfortune, and disappointment; then makes them joyfully accept a heavy burden; that, in a word, uplifts men out of the dominion of material things, and sets their feet in a purer and simpler region.—From a College Window, by A. C. Benson.

Flies are dangerous. They are also the filthiest insect know. They deposit germs in three ways. By contact, vomit spots and excreta. They taint everything they touch. FLY-TOX kills flies. It is safe, stainless. Simple instructions on each bottle (blue label) for killing ALL household insects. INSIST ON FLY-TOX. FLY-TOX is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Research Fellowship. FLY-TOX brings health, comfort and cleanliness and its perfume-like fragrance.—Adv.

Have you figured out the amounts of various feeds the dairy cow will need for the coming year? A cow weighing 1,000 pounds and giving 25 pounds of milk a day testing 4 per cent will require in one year, when the pasture season lasts for 6 months, 5,400 pounds of silage, 2,500 pounds of hay, and 2,000 pounds of grain. Larger or higher producing cows will need a little more feed, and smaller or low-producing cows a little less.

Slavery chains a few; more chain themselves to slavery.—Seneca.

ECONOMIC AUTO SERVICE

Millions of dollars could be saved annually by the automobile-owning public through a more strict observance of the factors that control the gasoline mileage offered by the average automobile, it was revealed in a survey of fuel economy completed today by the Chevrolet Motor Company.

A gain of from two to five miles on the gallon of gas could be effected, on the average, it was shown, if the motorist paid strict attention to the elements that govern fuel consumption.

The matter of economy has always been a factor of the uppermost importance with Chevrolet in the designing of its cars. Having brought the mileage to the highest point ever offered in a six cylinder car, Chevrolet sought to corral in this survey, the many seemingly unimportant details, which through carelessness or indifference on the part of the driver, cut down the mileage that might be obtained through more intelligent handling of the car.

Manufacturers have been doing their utmost to make gains in the direction of greater mileage and now it is felt that with greater co-operation from the driver, motorists may ride millions of miles yearly at no extra fuel cost if the matter of watchfulness can make a sufficiently strong appeal.

Just how this attention to fuel economy brings its reward is illustrated in records of performances coming in to the company's offices, which show that although the Chevrolet six is expected to run approximately 20 miles to the gallon, motorists in various sections of the country are getting 23, 24 and 25 miles through just a little attention to the matter.

The majority of items to be watched are rather obvious to the average automobile owner, but through an inadequate appreciation of their importance are commonly overlooked. The survey sets down specifically a number of factors, which, if observed, should increase your mileage two to five miles to the gallon. They are:

1. When standing or waiting for the light to change, don't race your motor.

2. When you are to make a stop for more than a minute, turn off your motor.

3. Don't drive at excessive speed unless the occasion demands. High speed travelling burns more gas.

4. Remember that the faster you drive the more gas you consume. So when you find that you are about out of gas and are heading for a gas station, take it slowly and your chances negotiating the distance will be greater.

5. When starting watch the

choke. Don't drive with the choke out a moment more than necessary.

6. Be sure that your brakes are not dragging. This cuts down your mileage. Get your brakes inspected frequently.

7. Have your valves ground when they need it.

8. See that the idling adjustment of your carburetor is set at the proper point so that the mixture is not too rich. If it is not at the proper point it gives you inefficient idling performance and wastes gas.

9. Don't fill you gas tank full to the cap, some will escape through the vent in the cap.

10. Don't ride the clutch.

11. Watch gas line for leaks at joints. Check it periodically to see that fittings are tight.

12. Be sure that spark is in fully advanced position.

13. Avoid excessive use of brakes in traffic.

Observance of these suggestions, the survey points out, will save money for the motorist and, add considerable mileage to your driving and reduce the number of necessary stops at the gasoline station.

SCHOOL SOON TO REOPEN.

The Oakland-Pontiac Dealer's Service Mechanics Training School—one of the many safeguards by which the Oakland Motor Car Company protects the investment of its car owners—will reopen soon, at the end of a brief summer vacation, it is announced by R. A. Armstrong, service manager.

The school, whose students are selected from among the 20,000 Oakland-Pontiac mechanics in all parts of the United States, proved highly successful after its opening last Spring, but was closed during the busy Summer months because many of the dealers could not conveniently spare their service men at that time.

"Our sole object in conducting this school is to make available for dealers, an establishment where their mechanics may receive special intensive training in the maintenance of Oakland-Pontiac cars," said Mr. Armstrong. "These training facilities are unsurpassed in the industry. We maintain a completely-equipped model service station in connection with the school. The men perform their shop exercises in this model service station which affords them an opportunity to familiarize themselves with the latest tools, equipment and methods, admirably supplementing their work in the class room."

The public school music course now installed in the Lockhart School can do more to enrich the lives of the children of this community than any subject taught. There is not an hour of the day when the child cannot mentally rehearse, sing or hum the songs taught as lessons. The child finishing the course can read and sing from sight the music of simple songs and the more proficient in the course may become a master of vocal music. This is not the editor's vision but that of able educators of the United States and Europe. The knowledge of music among the people facilitates the work of all gatherings—lends zest to proceedings of which it is a part. The possibilities of return from the study of the course is as great as that from any other. Singers in choruses are as much in demand as bookkeepers, and teachers of the course are harder to secure and consequently well paid. The knowledge of music and the art applied has been many an anchor in a storm tossed life. Miss Irene Saathoff in not only well versed in the subject but knows how to impart it. Her father is county superintendent of Medina county and she has grown up in a teaching atmosphere.—Lockhart Post Register.

Alfred, Alvin, Joe, Robert, Elmer, and Clarence Neuman and Happy Neuman, John, Joe and Rudolph Krenmuller, Oscar Benede, Olen Brieden, and Aron Boehle. The evening was whiled away in playing a number of games of pitch, after which prizes were awarded to the lucky winners. Men's high score, men's handkerchiefs, to Frank Neuman. Happy and Alvin Neuman tied for low score and cards were drawn after which Elvabell Bilhartz won the booty, a bar of chocolate candy. The ladies high score, a kitchen core, went to Pauline Krenmuller. Ladies' low score, a broach, was awarded to Lillian Boehle.

At twelve o'clock cake and lemonade was served to all present, after which some ring games were played and later all departed for their respective homes, wishing Albert many more such happy occasions.

One of the Crowd.

MRS. FRANCISKA HABY DEAD.

Mrs. Francisca Haby (nee Hutzler), widow of the late Lorenz Haby, died at her home near Castrovilla Wednesday afternoon, September 18, 1929, after a lingering illness of long duration. Her body was laid to rest Friday morning in the St. Louis cemetery, after a requiem mass had been offered at St. Louis church, Rev. Father Lenzen officiating.

Deceased was born November 15, 1838, in Alsace Loraine, then a province of Germany, and came to this country with her parents in 1852. She was happily married in early life to Mr. Lorenz Haby, who preceded her in death many ears ago, having departed this life on February 6, 1883.

This union was blessed with eleven children of which number three survive her, four sons and five daughters. The survivors are Joe L. Haby, Emil Haby, Leo Haby and Albert Haby, all of Medina County. Mrs. Mary Hamft of Houston, Mrs. Agatha Streich of San Antonio, Mrs. Louis Mann of Castrovilla, Miss Ida Haby of Castrovilla and Mrs. Katie McGough of San Antonio.

Besides the children, she is survived by a number of grand children and a large number of other relatives to mourn her loss.

Deceased has lived for years with her children on their farm a few miles north of Castrovilla. For the passed fifteen years, she had been blind but her other faculties were alert until near the end. A good mother has gone to her reward. We join in sympathy for the bereaved ones. May she rest in peace.

The Crystal City Javelins opened the season with a 7-6 victory over the Pearsall Mavericks. The sensation of the game came in the fourth quarter when Fred Walker, Crystal City back, got away for a 40-yard run and touchdown. Pearsall scored early and an end run by Newsome.

The Crystal City Javilns play Eagle Pass today at Eagle Pass.

Sabinal defeated Texas Military Institute of San Antonio 12 to 6 Saturday at Sabinal in the first football game of the season for both schools. The game remained scoreless until the third period when Sabinal put the ball across twice but failed to make the extra point. T. M. I. scored in their desperate efforts to tie the score first part of the final period, but were cut short by the final gun.

Devine High School eleven defeated the St. Mary's Buttons, 13 to 0 at Devine Friday. Neither team scored in the first half, but Dixon, of the Devine team, broke loose in the second and tallied two touchdowns.

The date of the Hondo-Del Rio game has been changed from Friday, October 4 to Saturday, October 5. This change will make it easier for the Hondo fans to attend the game as it is played at Del Rio.

A GOOD SCOUT MUST MAKE A GOOD SCHOOL RECORD.

Let this be an additional motto of every Boy Scout in Southwest Texas Council: "In school every day. Above the average grade every month." will help to make Scouting mean something in our school this session.

Every troop in the area ought to take on new life now that the opening exercises are over and "the new year" of this school session.

Has your troop planned for the prevention week? Are you practicing the rules of Health and Safety? Is the troop seeing that a Scout on duty a few minutes a day at the busy corners near the school building? Remember we can place a value at all on a human life in terms of silver and gold. Let's do our part to help "save a life."

The Scout Executive has returned from the Ninth Regional Conference at Cloudercroft, New Mexico. Some fifty or more professional Scouters were present, and left the "mountain top" anxious to put the job over in their own Councils by recruiting more men to work with more Scouts.

Rocksprings, under the leadership of the Chairman, V. A. Brown, were over the top last week in their financial campaign. The many friends of this old veteran of many financial struggles rallied to his support and gave their bits cheerfully, knowing that if V. A. Brown was behind it, it must surely be all right. The Scout Executive is spending this week in the Winter Garden district planning work for these towns. We anticipate a hundred per cent operation in each of the administrative centers.

Let's move forward, Scouters! Try them once—U. S. Royal and Peerless Tires—at C. R. Gable

HONDO OWLS SCORE 38-0 VICTORY FROM SOMERSET BULLDOGS IN FIRST GAME

Featured by Long Run by Don
Windrow; Local Team Fails
To Make Good Showing

By Kooter MacGrail

Led by their captain, Don Windrow, the Hondo Owls end run and turned-punted the Somerset High School Bulldogs into a 38-0 defeat Friday in the opening game of the season. As the score indicates, the Somerset team was nothing to compare with the Hondo team that easily outweighted the Bulldogs. Not only did Hondo possess the weight to wear down their opponents, but the two players stood out on the field. Captain Windrow, star of the offense, and Durwood Stanley, back Barry's find, who took all the offensive honor. Windrow made over 100 yards of gain during the game. Stanley proved himself a wide awake player recovering fumbles made by both teams and snatching passes.

The Hondo team failed to come up to the expectations of most people. The predominating feature of the game was the carelessness and errors made by the Owls. They clearly showed that they had not been working hard during the practice sessions after school every day. Luck was with the Hondo boys many times, when on the offense they used their hands but were not seen by the referee. The backfield men would not run low and were stopped with small gains many times by their inexperience and lighter opponents.

The play by play accounts of the game follows:

First Quarter

Somerset won the toss and chose to receive. Windrow kicked to the 41-yard line. Somerset returned the ball 11 yards to the 41-yard line. Somerset hit center for 3 yards. The Bulldogs went 13 yards through center for first down. A fumble lost a yard for Somerset. Somerset made 6 yards respectively on the next two plunges. Somerset penalized 5 yards for off sides. Mark in for Ulrich. Somerset punted 15 yards and was penalized 15 yards for interfering with an opportunity for fair catch. Hondo was penalized 15 yards. Windrow was stopped at left end. Windrow went around right end for 4 yards and first down. Jones was stopped at the line. Somerset returned Windrow's 33-yard punt 11 yards. Somerset lost two yards at right end. A pass was incomplete. Somerset made 6 yards over right tackle. Somerset kicked 10 yards and killed the ball on the 35-yard line. Windrow circled right end for 11 yards and first down. Jones made 2 1/2 yards right tackle. Windrow went around right end for 22 yards and touchdown. Windrow kicked goal. Score, Hondo 7; Somerset 0. Hondo kicked to Somerset. The Bulldogs lost a yard. Stanley fell on a fumble giving Hondo the ball. Hondo penalized 5 yards. Jones made 5 yards over right tackle. Windrow made 4 yards at the same place. Jones hit left tackle for a yard. Murray in for Rucker and Mechler in for Steinle. Hondo penalized 15 yards. Hondo failed to complete a pass and Somerset took the ball on the 22-yard line. Somerset was penalized 5 yards. The Bulldogs made 2 yards at left tackle. Mechler in for Speece. Somerset again penalized 5 yards for off sides. Somerset kicked to Windrow, who returned the ball 40 yards for touchdown. Kick for point was blocked. Score, Hondo 13; Somerset 0. Bailey in for Droucourt. Somerset fumbled but recovered Bailey's 30-yard kick. The Bulldogs were stopped. Somerset kicked up two yards at right tackle. Leinweber threw Somerset for a yard loss as the quarter ended. Score, Hondo 13; Somerset 0.

Second Quarter

Somerset kicked 20 yards and killed the ball. Windrow completed a 6-yard pass to Stanley, who went 4 yards before being tackled. Finger in for Wilson. Finger made 2 yards around left end. Windrow also got

2 yards at left end. A pass, Windrow to Finger, was incomplete. Another pass, Windrow to Stanley, was also incomplete and the ball went over. Somerset hit left tackle for 2 yards. The Bulldogs made 2 more yards at the same place. Fusselman in for Pettis. Somerset added 4 yards on another plunge at left tackle. A four-try at left tackle netted only a yard and Hondo took the ball. Jones made 10 1/2 yards on the right side of the line. Jones plunged the line for first down. Hondo fumbled but recovered. Jones hit right guard for 4 yards. M. Haegelin for Leinweber. Windrow went around left end for 20 yards and put the ball on the 4-yard line. Jones went over right tackle for touchdown. Kick for point was blocked. Score, Hondo 19; Somerset 0. Bailey kicked 22 yards and Somerset made no gain on the return. The Bulldogs made 3 yards at right tackle. Another yard was added off right tackle. A pass was incomplete. Somerset was penalized 5 yards. The Bulldogs made 3 yards around right end. Windrow returned Somerset's punt 65 yards for touchdown. Windrow kicked goal. Score, Hondo 26; Somerset 0. Wright in for Stanley and Rieber in for Mask. Bailey kicked 35 yards and Somerset returned the ball 15 yards. Somerset completed a 25 yard pass. Somerset made 2 yards at right tackle. Somerset was thrown for a 3 yard loss. Somerset completed a pass for 10 yards. Hondo stopped a line play and the ball went over. Jones was stopped at the line. Somerset intercepted a 20 yard pass. Somerset was penalized 5 yards for off sides. Somerset was assessed another 5 yard penalty. Somerset kicked 20 yards and Windrow returned the ball 20 yards. Jones made 2 yards over right tackle. Somerset intercepted another Hondo pass. The half ended with the ball on the 45-yard line. Score, Hondo 26; Somerset 0.

Third Quarter

Bailey took Somerset's kick off on the 50-yard line and advanced one yard. Wilson in for Windrow and Finger shifted to quarterback. Taylor in for Wright. Finger made 9 1/2 yards around right end. Leinweber went over right tackle for 5 yards and first down. Finger made 9 yards around right end. Leinweber made 4 yards over right tackle for first down. Finger went around left end for 5 yards. Leinweber made 2 yards at left tackle. Leinweber made first down on a two-yard buck at right tackle. Haegelin fumbled but Stanley recovered and made 2 yards. Leinweber made 4 yards over right guard. Finger completed a pass to Wilson for 1 yard. Leinweber went over right guard for touchdown. Kick for point was blocked. Score, Hondo 32; Somerset 0. Hondo kicked 33 yards and Somerset returned the ball 10 yards. Somerset completed a pass for 20 yards. Somerset was stopped. Somerset lost a yard. A pass was incomplete. Somerset kicked 25 yards to Hondo and killed the ball. Leinweber made a yard at right tackle. Hondo failed to complete a pass. Hondo punted to Somerset. Somerset lost a yard. Somerset went over right tackle for a yard. Somerset was penalized 5 yards. Somerset punted 16 yards. Hondo was penalized 15 yards. Wright in for Taylor. Jones made a yard over right tackle. Hondo failed to complete a pass. Windrow in for Wilson. Hondo kicked to Somerset. Somerset went over right guard for a yard. Somerset penalized 5 yards. Somerset was thrown for a 5 yard loss. Somerset punted 25 yards. Finger went around right end for 24 yards as the quarter ended. Score, Hondo 32; Somerset 0.

GOLDEN BEARS OF LOS ANGELES HEIGHTS OPPOSE OWLS AT FAIR GROUNDS

Game to Start at 3:30; Hondo Team Doped to Lose Battle To Heavier Team

Hondo will go into the game today against Los Angeles Heights as the under dogs. Coach Cecil Burnett's Golden Bears will play the Owls at the Fair Grounds at 3:30. The rule that all spectators must remain in the grandstand is still in order. The officials wish to thank the crowd for their observance of this rule at the game last Friday. An extra attraction, unpromised, was furnished the fans when a car overturned on the highway during the game. The officials can not promise to reproduce this again today for those not attending the game, but will offer a much better matched and interesting football game.

The invading team has an average of 159 pounds to compare with the locals 135 pound average. Coach Burnett is bringing the same 14 men to Hondo that last week swept over Jourdan for a 33-0 victory. The Los Angeles Heights Team uses the spin play, made famous by Waco High School. The Bears are being temporarily captained by Weimer, the 175 pound fullback of the team. Quoting Coach Barry: "We don't hope to win, but will do our best to keep the score down."

Neither coach is certain of his starting line-up, but most likely will use the following men to start the game:

Hondo Owls	Los Angeles
24 122 Pettis	Pitts 143 10
Left end	Left end
12 142 Steinle	Freling 190 11

HONDO, TEXAS, SEPT. 27, 1929.

THE WINTER GARDEN FAIR.

C. M. Merritt, influential citizen of Hondo, has been named "Good Will Chairman" by the directors of the Winter Garden Fair to represent this section at their 9th annual fair which will be held at Pearsall, on the 26-acre home owned fair grounds, October 9, 10, 11 and 12, 1929.

According to Don M. Saunders, of Pearsall, manager of the fair, this event will surpass any previous one. Opening with a mammoth parade and school children admitted free, the first day; savory barbecue for all the visitors, free, the second day; 3-day racing card; four nights of dancing with music by the Original Sun Dodgers Orchestra; re-enactment of the Battle of Verdun in a most spectacular manner; four fast football games; coronation of the Queen, with her court in all its splendor; many varied livestock, educational and artistic exhibits; and the carnival spirit of fun and frolic prevailing both day and night, this sectional fair has about everything to amuse, divert, entertain and enliven, one could wish for, Sanders says.

Coronation

One of the most colorful and beautiful events of the fair is the coronation of the Queen and the Queen's Ball attended by the royalty from every section of the country, which is scheduled for Friday night, October 11, at 8:30 p. m. Last year more than 150 young people—the beauty of Texas—lent their grace and charm to the splendor of the occasion when Miss Guindolys Poole, of Cotulla, presided over the court in a queenly manner. The royalty from this section, the fairest among the fair, included from Hondo, Misses Evelyn Finger, Helen Miller and Velma King. From D'Hanis: Lena Reinhart, Dora Saathoff and Nettie Kieber.

Committeemen who have in charge the program this year expect it to excel the event of 1928. Young ladies of this section are again invited to participate in this colorful affair. And Hondo will be represented in the personage of Miss Janice Holloway as Princess, and Misses Lucille Boon and Jonell Rothe as Duchesses.

Racing

"Some of the fastest horses in this section," says Dick Barnhart, president of the fair, "will be on the track for the three-day program, October 10, 11, 12. The track is in fine shape. Mr. Barnhart states, and he can assure everyone their money's worth at this event. "Midnight" that beautiful black fast pony, now running the race circuit, is scheduled to be among the fine horses to participate in the program."

Football

The brains and brawn of this section, as represented by the youth of our country, will engage in the finest array and series of football games ever scheduled in this area, when Pearsall plays Uvalde, October 10; Cotulla plays Hondo, October 11; and Devine matches with Pleasanton, October 9, at the fair grounds.

The feature of the second day, October 10, will be the free barbecue served to all visitors, promptly at 12 noon sharp. On the evening of the same day, the re-enactment of the Battle of Verdun in a most spectacular manner by Pearsall American Legion Boys, will be a magnificent showing. "Ye Old Time Ball" with song and music of other days for the young and old alike, will be the frolic for the first night's entertainment, according to Barnhart, president of the fair, who invites everyone to run over to Pearsall and spend four happy days, October 9, 10, 11 and 12.

FROM THE BRACKETT NEWS-MAIL.

Mr. and Mrs. F. J. Bader, who have been visiting their son, Jim, and family for several days, returned Saturday to their home in Hondo. Mr. and Mrs. F. G. Bless and Mr. and Mrs. Henry Bless returned Tuesday from Alpine, where they had gone to attend the funeral of their son and brother, Geo. A. Bless.

GEORGE BLESS KILLED.

Word was received here Sunday evening of the death of George Bless, son of Mr. and Mrs. F. G. Bless, who live near here, in an accident that came after noon near Alpine, where he has been doing road contract work.

But little details were received here concerning the accident, other than his death occurred almost instantly when dynamite he was handling exploded.

The funeral services were held Monday evening from the family residence in Alpine, and interment was made in that city, Mr. and Mrs. F. G. Bless, his parents, and Mr. and Mrs. Henry Bless attended the last rites.

Surviving the deceased are his widow and a daughter of Alpine; his parents, a brother, Henry, and two sisters, Mrs. Jim Bader and Mrs. Chas. Senne of Brackettville.

The News-Mail joins with the friends of the Bless family in extending condolences on this sad occasion.

A SURPRISE BIRTHDAY PARTY.

On Sunday, September 22, 1929, a surprise party was given at the home of Mr. and Mrs. Ed. Fillinger in honor of Mr. Dom. Schott, the occasion being Mr. Schott's 94th birthday. Each family brought their basket full of good things to eat and at 12:00 o'clock everybody was seated under large trees, in the back yard, where a fine dinner awaited them.

After dinner an enjoyable afternoon was spent in dancing, singing and playing cards. Those who enjoyed the day were Mr. and Mrs. Aug. Schott, Mr. and Mrs. Willie Schott and family, Mr. and Mrs. Ed. Schott and family, Mr. and Mrs. George Schott and family, Mr. and Mrs. Joe Kempf and son, Frank, Mr. and Mrs. Louis Jungman and family, Mr. and Mrs. Paul Lindsey and daughter, Pauline, Mr. and Mrs. Ed. Fillinger and family of D'Hanis.

At six o'clock everybody departed wishing Mr. Schott many more such happy birthday's and they all rejoiced with Mr. Fillinger, who has returned home after a three month's visit in France and many other states.

BRIDGE CLUB.

On Saturday afternoon Mrs. A. M. Ratn delightfully entertained the members of her club and a few guests. The club guests were Mesdames John Finger, Ernest Britsch, Barnitz Carle, Chas. Finger and Misses Josie Rothe and Frances Finger. After six lively games, Mrs. Chas. Finger received guest prize, Miss Cornelia Koch the high club prize and Mrs. Henry Biry drew consolation.

A delicious salad course was served to the club guests and the following members: Mrs. M. J. Finger, Mrs. Hy. Biry, Misses Carrie Langfeld, Agnes Rothe, Cornelia Koch and Dora Saathoff.

HINAKA CLUB.

The members of the Hinaka Club and a few guests were delightfully entertained Tuesday night at the home of Miss Marie Koch. Six games of bridge were played.

Guests winning prizes were Miss Carrie Langfeld, who held high score, and Mrs. Herman Vogel, who drew. High score prize for member went to Miss Lucy Rothe and low score prize to Miss Nettie Rieber.

Guests present were Mesdames Eric Rothe and Herman Vogel and Rothe. The members present were Misses Carrie Langfeld and Sara Lucine Finger, Loretta Koch, Jose and Lucy Rothe, Nettie Rieber, Agnes Rothe, Grace Zinsmeyer, Corine Koch and the hostess.

SECO COMMUNITY CLUB.

The patrons and friends of Seco School assembled in a large crowd at the schoolhouse for the opening meeting of the term on Thursday evening, September 19.

The president, Mr. Henry Poerner, called the meeting to order, "America" was sung and the Creed read by the audience.

Minor matters were speedily dispatched and the greater part of the business session was devoted to a discussion of the different phases of the Medina County Fair in which Seco will participate.

Mr. C. M. Merritt explained many new ideas concerning the fair. Other welcome visitors and boosters present were: Mrs. Merritt, Mrs. H. E. Haass, Mrs. O. H. Miller, Mrs. Earl Starnes, Mrs. Ed. Cameron, Mrs. R. J. Noonan, and Miss Jimmie DeMontel of Hondo, each of whom gave an

instructive talk on the department of which she is chairman.

Members of the club decided to decorate a float for the parade, to reserve space for a school booth and to take part in the pageant. Election of a duchess to represent Seco in the Fair was postponed until the next meeting, October 3. A check for twenty-five dollars was sent to Superintendent Saathoff towards the erection of the Education Building on the Fair Grounds.

The hostesses for the evening, Mrs. Alfred Rudinger, Mrs. Louis Pichot and Mrs. Louis Weynand, served delicious lemonade and cake to about 50 people.

QUIHI NOTES.

Christ said: "Except that your righteousness shall exceed the righteousness of the Scribes and Pharisees, ye shall in no case enter into the kingdom of heaven." Matt. 5, 20.

Note that beginning Sunday morning the Sunday School and Bible class of Bethlehem Lutheran Church will begin at 9:30 and not at 9 o'clock, as heretofore. All are welcome.

Divine services will be held in Bethlehem Lutheran church in the German language at 10:30 in the forenoon and in the English tongue at 7:00 P. M. All are cordially invited to all services and bring your English hymnbooks to the night service.

The Lutheran Ladies' Aid Society of Quihi will meet in regular session next Thursday at 2:30 P. M. in the parish hall. Matters pertaining to Thanksgiving day will be discussed the prospective bazaar to be held and all details arranged. Mrs. Jacob Oefinger, the vice president, will preside and Mesdames Fritz, Christian and Robert Nietenhoefer will be hostesses of the day. All members and all who desire to unite with this society are cordially invited to be present.

An interesting program of musical and literary numbers is being arranged by members of the Quihi Luther League. This program will be rendered v. d. October 20.

FROM NEW FOUNTAIN.

The program which our Woman's Missionary Society gave last Friday night proved to be a great success. Never before had there been more people at a similar occasion inside the church and standing outside at the windows as there were that night. The pageant made a deep impression upon most of the hearers, and the general opinion was that it was very good. The participants received many compliments.

The ladies secured a nice sum of money from the sale of refreshments, which money they will use for God's cause. In the name of the ladies of above society we thank all those who by their presence helped us to make the occasion a success.

In the announcement I made last Friday night in regard to our services for next Saturday night and Sunday morning some changes have been made by or Presiding Elder, Rev. L. W. Spellmann, from Uvalde. He will preach and hold the Quarterly Conference on Saturday night as stated by me, but instead of being with us Sunday morning he will preach for us Sunday night and also have the Holy Sacrament that night. I will fill the pulpit on Sunday morning preaching in the German language.

The proposed program to be given next Sunday night by the ladies of the Woman's Missionary Society, it being the fifth Sunday, their regular program night, will be postponed until Sunday night, October 6, at which occasion I will give a humorous lecture: "Broadcasting Sunshine." Everybody is cordially invited to attend the above services.

ROBT. MOERNER,

Pastor.

G. A. MEETING.

The Anne Haseltine G. A. Society met in the basement of the Baptist church September 25 for a business meeting.

The members present were Ava Embrey, Margaret Dillon, Gladys Fusselman, Donia Merriam, Dorothy Hicks, Ruby Nueman, Mayme Earnest, Leota Pettis and Mrs. Dillon.
